

BY-LAWS TO THE CONSTITUTION of Texas Gulf Coast Council of Diving Clubs

ATTACHMENT 4 – Member-of-the-Year Award

(New attachment added at Special Business Meeting held January 22, 2014)

HISTORIC INFORMATION – The Texas Gulf Coast Council of Diving Clubs’ Member-of-the-Year award has been given to an individual member of TGCC or a member of its member clubs for a long time. This attachment outlines that award, the thought processes and procedures involved.

Procedures and general information:

- The recommendation of an individual for the TGCC Member-of-the-Year award must be done in writing to the TGCC President prior to the November TGCC General Meeting.
- Voting on the TGCC Member-of-the-Year award is done by the Council at its November General Meeting.
- The person recommended must not have won the award the previous year.
- The award is for significant contributions by an individual for the dive community that year, or for contributions over time.
- The person recommended must be a member of the TGCC, or a member of a member club of the TGCC.
- Recommendations for this award can be from a member of the Texas Gulf Coast Council of Diving Clubs, any individual member of TGCC, or a member of a member club.
- The key factor in this award is “**Contributions to the dive community**”, not an individual club. For that reason it is believed that the members of this Council (Our officers and Club Representatives) are in the best position to identify those individuals who have contributed beyond an individual club’s scope of activities. Accordingly, those members are expected to review their thoughts about other TGCC members as well as their respective club members to identify any valid contributors that TGCC should recognize.
- Award is presented at the January, TGCC Awards Banquet (Luncheon). Award is for the previous year.
